

EVENT PRODUCT SIZE CHART Standard Only

Planks	4" x 36"	6" x 36"
Tiles	12" x 18"	18" x 18"

Installation Direction: The Event Series multi-layered square tiles may be installed with one-quarter turn (tessellated) or in one direction. However, for best design appeal and results Centiva recommends the one-quarter turn installation method. Rectangular shaped tiles should be installed in one direction.

Aegean Sea	<input checked="" type="checkbox"/>								
Wood Planks							<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>

¹Involving metallic pigments enhances the appearance of any building product. Even though state-of-the-art technology is used, natural shading will occur due to the visual variations of metallic components. ²Recommended sizes for all Contour stones except Atlantis and Aegean Sea styles also listed.

Installation Direction: The Contour Series multi-layered square tiles are to be installed with one-quarter turn (tessellated) or in one direction. However, for best design appeal and results Centiva recommends the one-quarter turn installation method. Rectangular shaped tiles should be installed in one direction.

VICTORY PRODUCT SIZE CHART Standard Optional

	(12" x 12")	(12" x 18")	(12" x 36")	(18" x 18")	(18" x 36")	(36" x 36")
Coral Reef/Magics	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
C-Tech	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>

Involving metallic pigments enhances the appearance of any building product. Even though state-of-the-art technology is used, natural shading will occur due to the visual variations of metallic components.

Installation Direction: The Victory Series homogeneous products including Coral Reef, Magics and Mineral Chip are non-directional and should be pre-blended before installation begins. The Victory Series multi-layered products including Canyon Colors, C-Tech, Glitter, and US Solids are to be installed with one-quarter turn (tessellated) or in one direction. However, for best design appeal and results Centiva recommends the one-quarter turn installation method.
